# *Telework on iPad*

- Important: Telework can only be accessed on an AOC issued iOS device via VPN. **This process cannot be done on a personal iPad or tablet.**

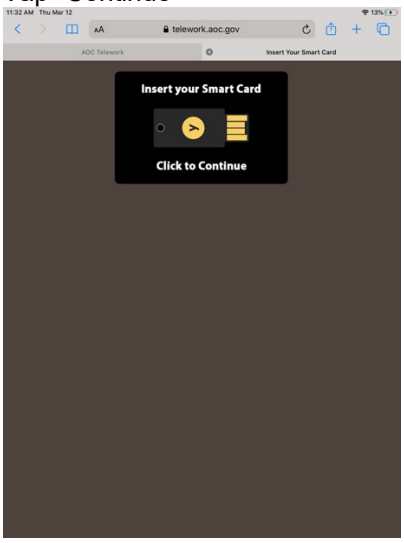
- If installed already - Delete the current Citrix Workspace app (press and hold the icon to select option to delete app)

- Install the Citrix Workspace for iPad app from the Apple App Store or Self Service

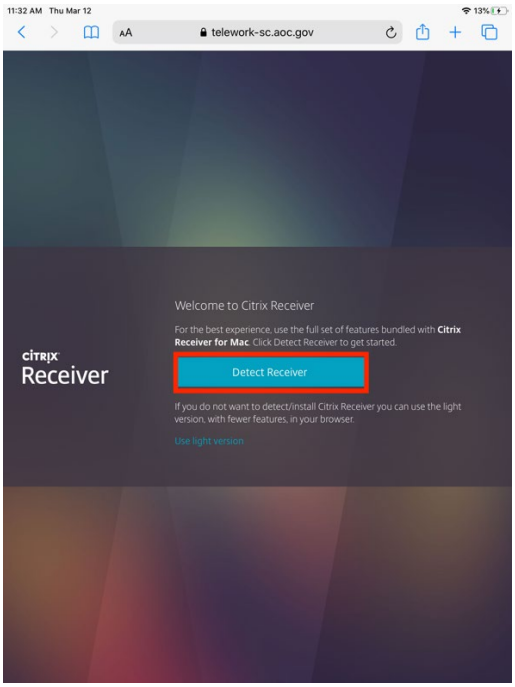
- Launch Safari, navigate to: [https://telework.aoc.gov](https://telework.aoc.gov)

- Tap on “Smart Card Login”

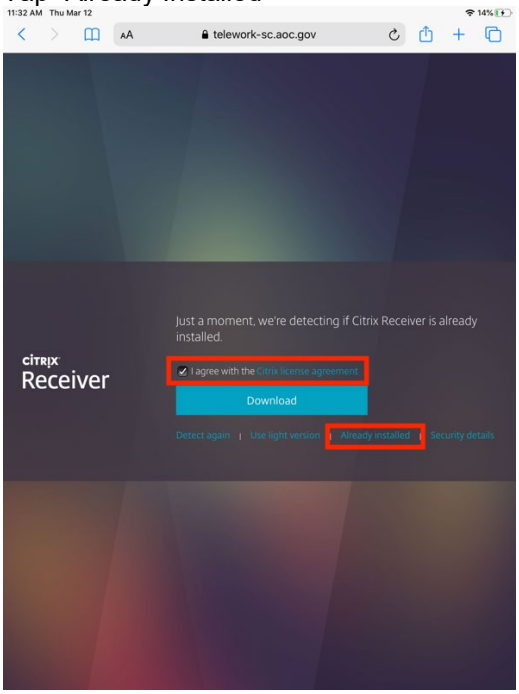
- Tap “Continue”



- Tap “Detect Receiver”

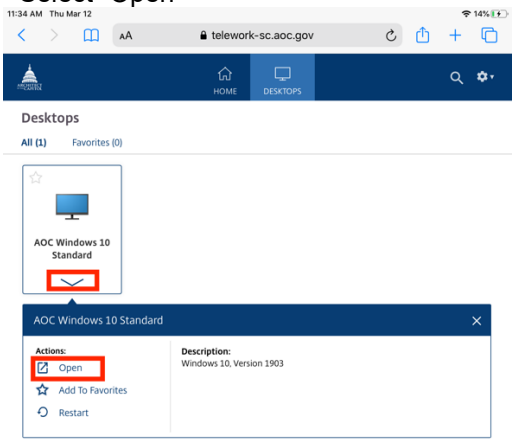


- Tap “Agree” to terms and conditions
- Tap “Already Installed”

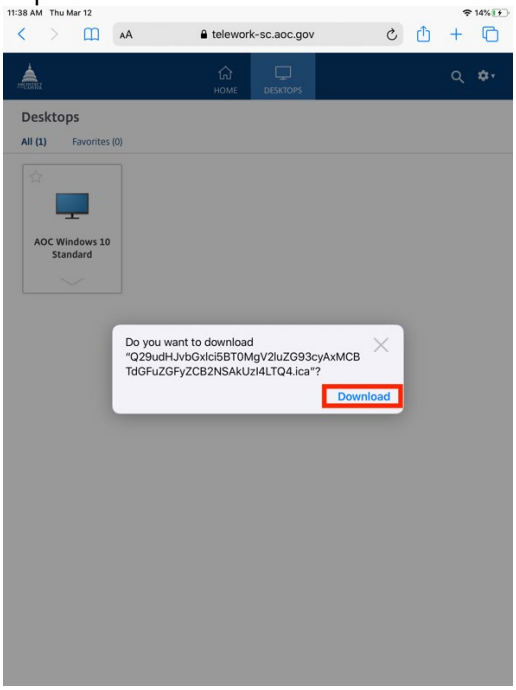


- Tap on “AOC Windows 10 Standard”

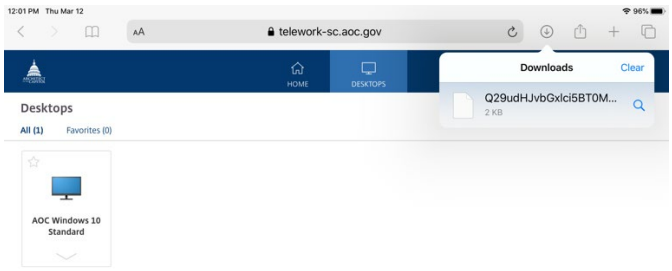
- Select “Open”



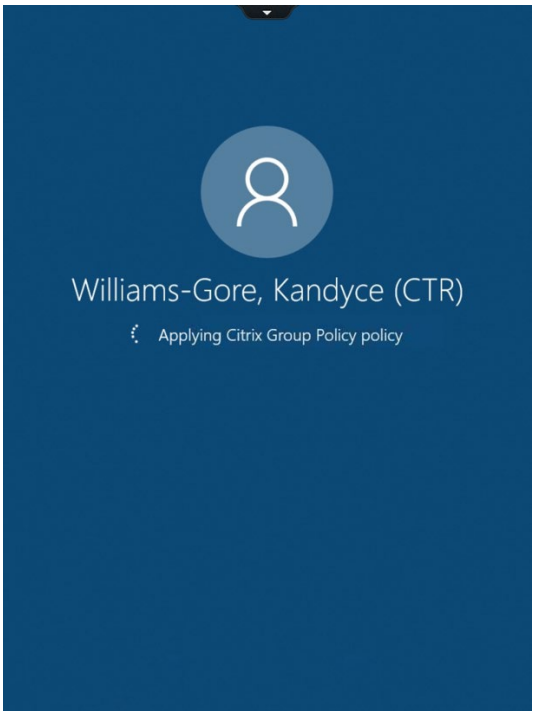
- Tap “Download”

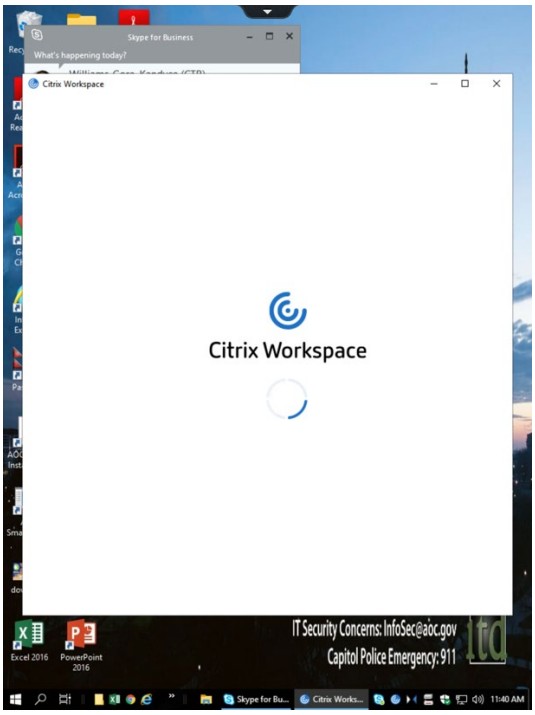


- Tap on the session that was recently downloaded to open



- Tap “Allow”
- Takes you to a blue Welcome screen
- May take 30-45sec for the desktop to appear

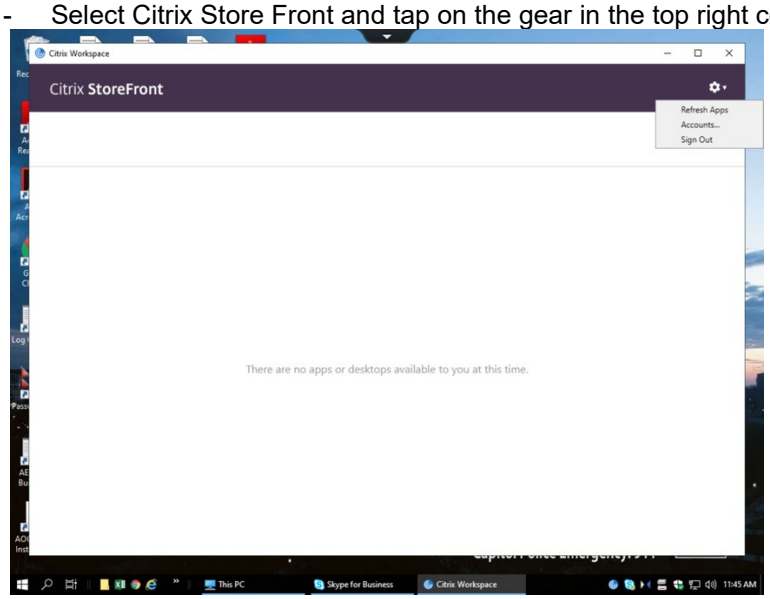




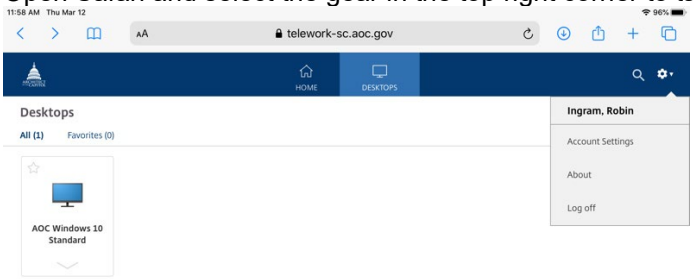
- This Citrix Workspace window can be close once the desktop has loaded

**To Disconnect**:

- Select Citrix Store Front and tap on the gear in the top right corner, tap “Sign Out”



- Open Safari and select the gear in the top right corner to tap on “Log Off”



- Select “Complete Logoff”
